Kris has been welcomed into the presenting world from luxury retail and the aviation sectors. This is where Kris learnt everything there is to know about people. Kris has always had a warm personality and has that ability to talk to anyone, no matter their background or status.

Kris is a very down to earth presenter and it comes from a very natural place that brings that realistic voice that your listeners and viewers will instantly connect with and feel like he is their best friend. Kris will bring a vast amount of real-world experience and now his outstanding broadcast credits, from Made TV, Heart Radio, to his latest presenter role, a permanent TV host on Sky Channel 680, Psychic Today and Kris is bringing the Aussie Hour radio show and all the biggest Australian stars to a UK audience every week on Ribble FM.
